- (1) Network and/or SIM card dependent feature, not available in all areas. Airtime, data charges and/or additional charges may apply. Wireless email functionality requires an email account with wireless services capabilities. Certain features, services and applications are network dependent and may not be available in all areas; additional terms, conditions and/or charges may apply. Contact your service provider for details.
- (2) This device supports Bluetooth A2DP/AVRCP, HFP, HSP, PBAP profiles. In order for Bluetooth devices to communicate with one another, they must utilize the same Bluetooth profile. To determine the profiles supported by other Motorola devices, visit [www.motorola.com/bluetooth](http://www.motorola.com/bluetooth). For other devices, contact their respective manufacturer.

Certain Bluetooth features including those listed may not be supported by all compatible Bluetooth-enabled devices, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers. Contact your wireless carrier about feature availability and functionality.
